

# JOURNEY JOURNALS

RR volunteers place a journal in each van, and we look forward to reading about God's goodness as seen through each missionary family's eyes.

## JOURNEY THROUGH JOURNALS

By: Dannie Smith, Atlanta Hub Coordinator

Our missionaries are encouraged to share about their time in their Righteous Rides vans through the journals that are placed in each glove compartment. Some just log the places they have been, while many share more personal stories.

**One entry** is full of thanksgiving:

"Words cannot express our gratitude to Righteous Rides. We have truly been blessed beyond measure! Dannie and his sweet wife welcomed us into their home when we picked up the van." (This is typical in many hubs!) "Our kids loved the sweet gift bags full of thoughtful gifts and snacks. As we pulled out of the Atlanta area we were in awe of God's generosity to us!"

**Another** missionary family expresses the real challenges faced by missionaries whom Righteous Rides serves:

"These last couple of months have been very much NOT how we planned for them to be and yet we know that God has a plan and purpose for all of life's events. My Leukemia is not an exception. We thank you for the gracious extension on the use of the van. These last two months have been mostly spent in the hospital but we needed a good vehicle for getting me back and forth to the clinic when I was home. Your ministry and labor of love allowed us to do what we needed and wanted to do during our furlough."

We have had this van for almost a full year. What a blessing it has been! We have driven over 26,000 miles in it & have driven from FL (even Disney!) to MI & almost every state in between. Even with the craziness of Covid God gave us the opportunity to visit almost all of our support partners. Having a reliable vehicle to do all this traveling in has been a HUGE blessing! Thank-you for your creative & faithful ministry to missionaries! Your heart for missionaries rest & refreshment was such a huge encouragement to us. Thank-you again & we look forward to being back w/ you in a few years!

At Righteous Rides we pray for every mile driven by our missionaries. It's a privilege to be part of their lives and ministries.
