

# HASSLE FREE AND AFFORDABLE

*Not one week later, and just a few days before I was to depart for the States, a fellow missionary friend asked me if I ever heard of an organization called Righteous Rides. I had not. He shared about RR and how they lease vans specifically to overseas missionaries on home assignment.*

*It blew me away! I never knew something like that existed....and the fact I had just pondered that idea and how much it was needed!*

*Needless to say, I was thrilled to acquire a van, especially on such short notice. I was very impressed with the whole operation and how the Righteous Rides team works the process: easy, professional, and affordable. They saved me about \$4000! I'm thanking the Lord for gathering these great, godly folks together in order to help us missionaries venture to and through the USA with confidence and ease!*

## I SERIOUSLY CONSIDERED STARTING A MISSIONARY CAR RENTAL MINISTRY!

Elizabeth has a missionary ministry to orphans in Macedonia. After recently driving a Righteous Rides van for her home assignment, Elizabeth told us:

*Upon planning my recent two-month visit to the USA, again I was concerned about acquiring a vehicle to drive. Although I have had a couple of generous temporary loaners from supporters in the past, it was always a head-shaker when it came down to getting transportation for the duration of my visits. Rental car companies have gotten out-of-the-ballpark pricey, and there aren't many people who have an extra vehicle for me to borrow. This time, looking at car rental prices (about \$5000 for two months), I got angry and said to myself that if ever the Lord sends me back to America to live, I would seriously consider starting a ministry that would rent out reliable vehicles to missionaries at a decent, affordable cost.*
