

GENERATIONAL BLESSINGS

Three generations benefit from Righteous Rides vans.

PROUD MARY KEEPS ON A-ROLLING!

Thank you folks for the blessing to our ministry through the years!

I remember, Bret and Tina and Mark and Karen, your vision in the early days, as you looked for ways to help missionaries. Several times you helped my wife and me, missionaries to South Africa and now to Scotland, with vans for our furlough travels.

So many memories. One time, you even let us use the green, three-quarter-ton diesel tow truck when you didn't have a van. My wife called her "Proud Mary", because she just kept on "Rollin'!" Another time you rescued us when our van broke down in the shadow of Mt. Rushmore. And once I even got the chance to speak in one of your meetings with supporters in the St Louis area.

What a blessing you have been! And, how you have been blessed for your faith and love! It's amazing to see your current facilities and the great staff that you now have working with you. Wow!

This year you are providing vans for both of our sons, who are also missionaries here in Scotland. It is kind of a second generation blessing (or actually third generation if you count our two Grangirls). So, you have been a great blessing to three generations of missionaries. Sweet!

Summer is our busiest season. With nearly all the vans booked, our staff and volunteers are scurrying to get them ready.

In everything by prayer and supplication with thanksgiving let your requests be made known unto God.

Philippians 4:6b

Thank you for your vision for this ministry and your incredible care of our Lord's missionary servants as we crisscross America, sharing what God is doing in the dark corners of the world. What a part you and your supporters have had in every church planted and every soul saved and life changed!

You have made it possible for us missionaries to live out Paul's encouragement to the Philippian believers (4:6-7) to: "Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

Don't think you are done with the old folks yet. We will return for furlough, probably early in 2023, and we'll be so proud to drive one of your vans again. Even Proud Mary would be appreciated, but current fuel prices might be a problem. She was fun, but she drank quite a bit of diesel.

THANKS FOR BEING SUCH A BLESSING!!!

"Proud Mary" served Righteous Rides missionaries in the early years, delivering ready vans and rescuing crippled ones.
