# Righteous Rides

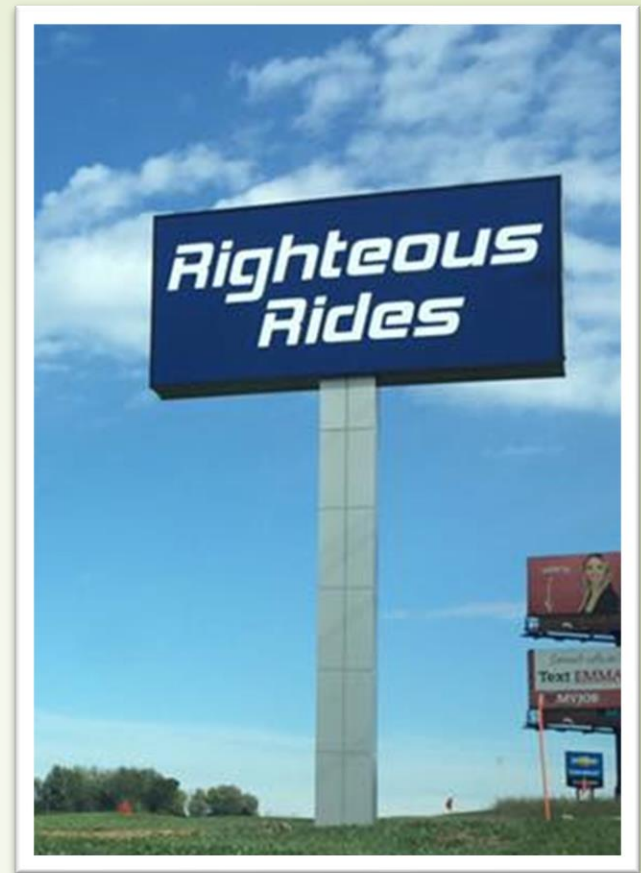

provides high quality, affordable transportation to missionaries on 1-12 month furloughs

# Why Righteous Rides?

Transportation and housing are the two biggest problems missionaries face when coming back on home assignment.

We seek to provide hassle-free transportation in a manner worthy of God.

# Righteous Rides

- Provides a clean, reliable van in good condition for furlough transportation.

- Pays for all maintenance and repairs with a Firestone maintenance contract.

# The Missionary

- Provides his own insurance
- Pays for his own gas
- Is responsible to keep the van serviced using the RR Firestone contract
- Returns the van in good, clean condition

# Righteous Rides has ~160 vehicles in the fleet in 11 Hubs
