

Celebrating Volunteers

We thank all of you!

When the Son of God Came to Earth...

- He came as a servant.
- He taught His disciples to lead by serving.
- Jesus washed His disciples' feet as an example of humble service.

For almost two decades we have witnessed many volunteers following Christ's example, humbly serving for the sake of the gospel. Every volunteer plays an important role whether praying, physically volunteering, supporting financially, or serving in any other way. We could not do what we do without each and every one of you. Thank you!

What Can I Do?

"If you want to get my attention, mention missionaries. Missionary friends have blessed me many times and have been an integral part of every church I've attended. Therefore, it was a no-brainer to want a tour of Righteous Rides a few years ago and learn about their service to missionaries. Learning that the organization could not survive without volunteers immediately begged the question, "What can I do?" A wise pastor years ago welcomed Anita and me to his church and told us not to wait around for someone to ask for our help. "Find something that needs doing and do it." Well, the shop needed someone to help repair stone chips on paint and windshields, frames were needed for some pictures, the coffee shop needed cleaning and a box to hold tea, missionaries needed rides and prayers, events needed helpers, toilets needed repairing, weeds needed spraying, cars needed washing, snow needed blowing, interns needed teaching . . . **What an honor it is to help be a missionary to missionaries.**"
