

# RIGHTEOUS RIDES – APRIL 2026 NEWSLETTER

1440 E. VETERANS MEMORIAL PARKWAY TRUESDALE MO 63380

## Hub Summit

At the end of this month many of our volunteers and staff will be traveling to our HQ here in Truesdale, Mo for another Hub Summit. This is an event for those who serve at our different locations across the nation to gather and have some good fellowship and get updated with what's happening in our organization. Our last gathering was in 2023, so we are excited to see old faces and greet new ones.

## Prayer Initiative

We are excited to announce the starting of a new prayer initiative here at Righteous Rides. Every month we will gather online or in-person to pray for our ministry and those we are serving.

We believe that every battle we fight must be first and foremost won in prayer. Everything we do must be continually covered in prayer. We agree with James 5:16 that says, "The effectual and fervent prayer of a righteous man availeth much." Our Prayer Partners truly are a crucial part of our ministry.

If you'd like to join our team you can sign up for our emails on our website under the "Get involved" page, or email Michael Lindberg at [michael.lindberg@righteousrides.org](mailto:michael.lindberg@righteousrides.org).

### Praise

We added a new hub in Pittsburgh, PA. Every hub enables us to provide hassle-free care and cars for more missionaries.

### Prayer Request

We're gearing up for a busy summer! Prayer for our vehicles and the missionaries would be greatly appreciated.
