We are excited to announce the opening of three new hubs! Our hub in Renton, WA is being replaced with one in Lakewood, WA and a new hub is being established in Portland, OR. We also have a new hub opening in Sanford, FL. We are so thrilled to have these sacrificial volunteers on our team! Different ends of the country, unified by the same mission.

Having locations across the states is very strategic to fulfill our mission. 50% of Righteous Rides rentals are provided outside the St. Louis hub. That's about 150 families a year! This enables us to serve the missionaries where they are at, saving them days of travel and thousands of miles on the road. It is key to our goal of providing hassle-free transportation, and sending these missionaries on their way in a manner worthy of God.

We cannot express our thanks enough to all those serving with us. We couldn't do it without them. Pray that the Lord would continue to grow and bless our ministry that we would be able to serve even more missionaries in 2026!
